CAN/CGSB-3.520 Biodiesel B1-B5 Standard

This standard is awaiting final approval before going into official publication by CGSB. It is expected to be published June 2005.

The technical detailed requirements for B1-B5 Biodiesel Fuel Blends are the same as the requirements for CAN/CGSB-5.517, the Low Sulphur Diesel Fuel standard, with the added requirement that the biodiesel ester component must comply with ASTM D6751 or EN 14214.
